A secure site is provided for registration online. All registrants are sent a confirmation email and tax invoice at the time of lodgement. Credit card payments can be made with visa or mastercard; or alternatively payment made by cheque. All online registrations are checked by the secretariat before any credit card authorisation is sought. It is impossible for the secretariat to charge the same registration twice if you inadvertently repeat the process. If there is any query they will contact you.

ASN supports responsible use of on-line credit card transactions and reports suspected fraudulent activity to Federal police and the Immigration office.

In 2010 ASN Events is introducing their new registration system. The first step is to record your personal details on your own 'dashboard'. If you have already completed it for your abstract or another ASN event, you will not have to repeat this, just login to your 'dashboard'.

As you complete any section of the 'dashboard', you will receive a confirmation email.

You can use your email and password to access your registration at any time to make any necessary changes, coming back to it over a period of time as you are ready to confirm more detail.

## REGISTRATION PAYMENT

A secure site is provided for online payment of your charges. This has its own section on the 'dashboard'. The payment options are:

Credit card - visa or mastercard

Cheque (either personal or from your institute)

Direct debit (you will be emailed banking instructions upon application)

An Australian Tax Invoice will be provided for all registrants once registered. You can reprint this and your receipt from your 'dashboard' at any time.

The ABN for the conference is 60 990 743 835. All rates quoted include GST and are in Australian dollars.

All online registrations are checked by the secretariat. If there is any query they will contact you. If you wish to make changes or additions after you have registered, return to your 'dashboard'. The 'dashboard' also keeps a record of any abstract you have submitted.
