\$275.00 Victorian Farmers Federation 2006 new schedule of fees

\$375.00 Total

\$37.50 GST

\$412.50 Total

WHAT EXACTLY DO I GET BEING A GROWER MEMBER OF THE HFF AND THE VFF?

HFF membership gives you access to industry information via newsletters email alerts, website access and grower meetings, which are held in Victoria at least three times in non conference years. Membership to the national hydroponic body the AHGA have substantial discounts to the AHGA and HFF bi-ennial conferences and grower meetings. The HFF highly recommends you join the **Victorian Farmers Federation (VFF)**. They support all Victorian farmers and are our primary spokespeople to local and federal government on issues relevant to our industry. For further details of benefits, go to their website www.vff.org.au

Throughout the course of the year, the HFF supports industry initiatives, such as the Bumblebee submission to introduce the species into Australia, ongoing financial support for IPM research and development, careful scrutiny of any legislation that could possibly affect (in either a positive or negative way) our hydroponic industry, i.e. ammonium nitrate legislation.

The HFF through its limited resources tries to be a collective voice to local and federal government for the Hydroponic industry.
